**Annual Report
of the Town Officers
Nelson, New Hampshire
For the Year Ending
December 31, 2005**

On the cover

This Barred Owl, *Strix varia*, spent the day in trees just outside the house of Elizabeth Williams and Michael French, on March 13, 2005. Barred Owls are common in Nelson and if you haven't seen one, you've probably heard one on a summer evening calling "Who cooks for you, who cooks for you!"

Photo is by Elizabeth Williams; taken with a Panasonic DMC-FZ20 digital camera.

Susan Weaver (alternate)	Jim Jarvela (alternate)

The following officers are nominated by the Board of Selectmen and appointed by the NH Department of Health:

Health Officer:	E. Ann Bunce
------------------------	--------------

Report From the Selectmen 2005

This seems to have been an unusually busy year for the Selectmen. Every Wednesday night, we work on twenty-five to forty items, which is twice the work of just one year or so ago. Do come and read our meeting Minutes! You will find them very informative and interesting.

There have been many accomplishments. Extensive work was done on the Old Brick Schoolhouse, preventing unwanted wildlife from making it their home anymore. After years of aggravation with the wild animal problems, this effort has improved working conditions greatly. Also, we have had an overhaul of the office's electronic equipment, after months of malfunctions. We have worked diligently for months, negotiating a new cable franchise for the community. This task has taken much research, a public hearing and many, many calls between our office and that of the cable company. Unlike the original contract that lasted 25 years, the new version will be for 2-3 years.

In addition to regular duties, we all serve on the town Board of Health, Road Equipment Committee, and the Welfare Board. One Selectmen is on the Planning Board, the Old Library Committee and the Facility Planning Committee. Over the past year, each Selectman has made field trips throughout the Town. Since we have no building inspector, we have had to make a number of fact-finding trips in that regard.

Some new faces joined the Town employment team. Joan Bosely is now the Town Administrative Assistant and Richard Pratt is our Police Chief. We welcome these folks with enthusiasm and hope for the future.

The Town employees continue to work very hard carrying out their responsibilities. Many Town residents are serving as Town officers and on various committees and commissions. We salute all the volunteers and employees for their contribution to our community.

We all feel that it is a great privilege to serve as a Nelson Selectman. Although it is a 24/7 responsibility, we really enjoy the challenge of responding to the concerns and requests of residents and administering the Town business efficiently and effectively.

Respectfully submitted:

Jane S. Kirk, Chair, Charles O. Lang, Samuel A. Bouchie

SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief.

Jane S. Kirk, Chair, Charles O. Lang, Samuel A. Bouchie,
Nelson Board of Selectmen

AUDITOR'S CERTIFICATE

I hereby certify that I have examined and audited the accounts and records of the Town of Nelson for the fiscal year ending December 31, 2005. The records and accounts include those of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Cemetery Board, and Library Trustees. To the best of my knowledge and belief, I certify that these accounts and records are true and correct.

Carol Newcombe, Auditor

TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 14th day of March, 2006, at 11:00 AM to act upon the following articles:

POLLS will open at 11:00 AM and close at 7:00 PM.

BUSINESS MEETING will start at 7:00 PM

ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$150,549 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation. (\$141,975 in 2005.)
3. Shall the Town notify the Governor and the Commissioner of the Department of Transportation of the State of New Hampshire, that the Town has no objection to the complete discontinuance by the State of New Hampshire of that portion of class II state Highway, being the

original Keene to Concord or Franklin Pierce Highway lying between Mill Pond Road and Old Route 9 along land of Cucchi and the Methodist Chapel by the lake and that if the State does discontinue said highway, the Town of Nelson will not claim, assert or accept any right, title or interest in or to said highway or its right of way; and further:

Shall the Town notify the Governor and the Commissioner of the Department of Transportation of the State of New Hampshire, that the Town approves the reconfiguration/realignment of the traffic pattern/flow from this discontinuance to the "T" intersection of Mill Pond Road and Granite Lake Road which includes widening the intersection of Mill Pond Road and Granite Lake Road by approximately five (5) feet along its easterly side from a point beginning at the Southwestern point of the triangle of land formed by Old Route 9, Mill Pond Road and Franklin Pierce Highway and extending northwesterly to a point of the intersection of Mill Pond Road and West Shore Road; and further: To see if the Town will vote to raise and appropriate the sum of one dollar (\$1.00) towards costs associated to the reconstruction. The State of New Hampshire Department of Transportation will either perform the work or approve engineering plan and construction bids/contract. (This article is not recommended by the Selectmen.)

4. To see if the Town will vote to make the following changes to the Town Hall Rental Policy for rentals by NELSON RESIDENTS holding alcohol free events.

- 1) Set the Town Hall rent at \$50.00 per event.
- 2) Require an indemnity agreement in lieu of event insurance, releasing the Town of Nelson of all liability.
- 3) Residents will not be required to pay for police presence.

Petition submitted by Betsy Street

NOISE ORDINANCE (Pursuant to RSA 47:17)

5. To see if the Town will vote a Noise Ordinance as follows:

It shall be unlawful for any person, firm or corporation to make, continue or cause to be made or continued, or to allow to be continued any loud, unnecessary, unreasonable or unusual noise or any noise which either annoys, disturbs, injures or endangers the comfort of others within the limits of the Town of Nelson.

6. To see if the Town will vote to raise and appropriate the sum of \$58,000 to cover the cost of a Town-wide revaluation; and to see if the Town will vote to remove the sum of \$18,626 from the Revaluation 2006 Capital Reserve Fund leaving the sum of \$39,374, (and not to exceed this amount,) to be raised by taxes.

7. To see if the Town will vote to raise and appropriate the sum of \$3,000 to provide high-speed Internet access to the Town Office. The Selectmen will appoint an Advisory Group of qualified residents to review new software and hardware requests to ensure compatibility with existing computer systems and to help in the process of developing long-range planning for Town computer system needs.

8. To see if the Town will vote to raise and appropriate the sum of \$3,358.75 support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family Services (\$808.75), The Keene Community Kitchen, Inc. (\$1,500) and Southwestern Community Services (\$500). (In 2005, these agencies received contributions from the Town in the amount of \$3,358.75)

9. To see if the Town will vote to modify the Exemption for the Disabled, under the provisions of RSA 72:37-b as follows: The Exemption from assessed value for qualified taxpayers shall be \$27,500. To qualify, the person must be eligible under Title II or title XVI of the Federal Social security Act, must occupy the property as his principle place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least 5 years, had in the calendar year preceding April 1 a net income from all sources, of not more than \$14,740 for a single person and \$22,440 for a married person, and own assets not in excess of \$38,500, excluding the value of the actual residence and up to two acres or the minimum single family residential lot specified in the local zoning ordinance. The Selectmen recommend this article. (By Ballot)

10. To see if the Town will vote to modify the Elderly Exemptions from property tax based on the assessed value, for qualified tax payers, to be as follows: for a person 65 years of age to 75 years of age, \$28,750; for a person 75 years of age up to 80 years of age, \$43,125; for a person 80 years of age or older, \$57,500. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$23,460 or, if married, a combined net income of less than \$34,960. The taxpayer cannot have assets of more than \$40,825. The Selectmen recommend this article. (By Ballot)

11. To see if the Town will vote to accept the gift of the Munsonville Cemetery and the financial support that accompanies said property.

12. To see if the Town will vote to raise and appropriate the sum of \$26,390 for support of the Town Library.
 (In 2005, the appropriation was \$25,350)
 \$18,900 to be raised by taxes
 \$ 7,490 income from Library memorial funds and other sources.

13. To see if the Town will vote to raise and appropriate the sum of \$7,500 to obtain site plans for an addition on the rear of the Center Station, on Old Stoddard Road. This is for the purpose of combining facilities for a Municipal Building.

14. To see if the Town will vote to raise and appropriate the sum of \$10,000, to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the Fund except by vote of the Town. The Selectmen recommend this appropriation. (2005 appropriation was \$2,000. The fund balance on 12/31/05 was \$10,465.)

15. To see if the Town will vote to (1) create an expendable fund under the provisions of RSA 31:19-a, to be known as the Milfoil Prevention and Treatment Fund, for the purpose of preventing and treating milfoil

in Nubanusit Lake, Spoonwood Lake, Silver Lake, Granite Lake, Rye Pond, Tolman Pond, Center Pond, Woodward Pond and Ellis Reservoir; (2) raise and appropriate the sum of \$3,000 (Three thousand dollars) to be placed in this fund; and (3) appoint the Board of Selectmen as agents to expend the funds after consultation with the Conservation Commission.

16. To see if the Town will vote to raise and appropriate the sum of \$500 to be used for mosquito treatment and prevention programs for the West Nile Virus (WNV) and the Eastern Equine Encephalitis (EEE). This is to work proactively with DHHS to mitigate this problem in 2006.

ARTICLES DEALING WITH SERVICE AND PROTECTION

17. To see if the Town will vote to raise and appropriate the sum of \$5,824 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2005 was \$4,700).

18. To see if the Town will vote to raise and appropriate the sum of \$12,500 for the proper expenses of the Fire Department and Rescue Squad. (The 2005 appropriation was \$10,000.)

19. To see if the Town will vote to raise and appropriate the sum of \$500, to cover expenses which will be reimbursed by the NH State Fire Warden, and will appear as revenue on the Budget Comparison. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget.

20. To see if the Town will vote to raise and appropriate the sum of \$3,000 to install a concrete floor in the third truck bay at the Munsonville Station.

21. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund. No withdrawals may be made from this Fund except by vote of the Town

and upon recommendation of the Fire Chief.

22. To see if the Town will vote to raise and appropriate the sum of \$3,000 to update Rescue Squad Equipment to meet the latest state EMS standards.

23. To see if the Town will vote to raise and appropriate the sum of \$34,811 for the proper expenses of the Police Department. (The appropriation for 2005 was \$34,647).

24. To see if the Town will vote to raise and appropriate the sum of \$3,000 to cover the expense of patrols by the Nelson Police Department for the State of New Hampshire, Cheshire County, Sheriff's Office and other authorized municipal entities. The cost will be offset by grants, which will appear as revenue on the Budget Comparison. The Department of Revenue Administration recommends this method of accounting, in order not to impact the operating budget of the Police Department.

ARTICLES DEALING WITH ROADS

25. To see if the Town will vote to raise and appropriate the sum of \$195,000.00 for maintenance of highways and bridges for the ensuing years budget.

\$158,238.90 to be raised by taxes

\$36,761.10 to be designated from the Highway Block Grant.

(The 2005 appropriation was \$189,000.)

26. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. The Fund balance on 12/31/2005 was \$35,307.85. (The 2005 appropriation was \$15,000)

27. To see if the Town will vote to withdraw \$20,000 from the Road

Equipment Capital Reserve Fund for surplus equipment. The Road Equipment Committee recommends this withdrawal.

28. To see if the Town will vote to raise and appropriate the sum of \$25,000, to be added to the Capital Reserve Fund for the Salt Barn and Storm-water site work, at the Town Barn on Old Stoddard Road. It is understood that no withdrawals may be made from this Fund except by the vote of the Town. The Selectmen recommend this appropriation. (2005 appropriation was \$55,000. (The balance as of 12/31/2005 was \$81,689.81.)

ARTICLES DEALING WITH PLANNING & ZONING

29. To see if the Town will vote to raise and appropriate the sum of \$715 for dues to belong to the Southwest Regional Planning Commission. (\$715 in 2005)

Nelson Planning Board Zoning Ordinance revisions for 2006
30. Are you in favor of the amendment of the Nelson Zoning Ordinances, Article 3:1 as follows: There shall be no new lots created that are less than two acres. Building permits for new dwelling units shall only be issued for lots that are a minimum of two acres. Building permits for dwelling units or other structures, which are on lots of less than two acres must meet the conditions of Article 10- Non-conforming Lots and Structures. The Planning Board recommends this amendment. **(By Ballot)**

31. Are you in favor of the amendment of the Nelson Zoning Ordinances, Article 5:1.1, as follows: 5.1.1. A building permit shall be required when changing the outside dimensions of a house, even when staying within the footprint i.e. – the addition of a dormer, or increasing the height of the roof. Current Article 5:1.1 shall be renumbered 5:1.2. The Planning Board recommends this amendment. **(By Ballot)**

32. Are you in favor of the amendment of the Nelson Zoning Ordinances, Section 5:2 as follows: Applications for building permits shall be accompanied by an accurate drawing showing the dimensions

of the lot, the location and size (including height) of any existing and proposed structures, streets, right of ways, and streams within or adjacent to the lot. Parking areas for vehicles and any required screening shall also be shown. The Planning Board recommends this amendment. **(By Ballot)**

33. Are you in favor of the amendment of the Nelson Zoning Ordinances 3:7, as follows: All proposed development shall incorporate the principles of good design and land use. The amount of frontage along a Class V or better road may be less than 200 feet provided that:

- It is a condition of the subdivision, and so stipulated on the plat, that only one dwelling unit may be constructed on the entire lot.
- No more than two lots having less than 200 feet of road frontage are created, either in one subdivision, or from land, which has been previously subdivided in this manner.
- The minimum lot sizes and setbacks are provided per the table below.

Additionally, in this situation, the total area of the lot(s) which have less than 200 feet of frontage must be at least 5 acres, and it shall be stipulated as a condition of the subdivision (and on the plat) that no more than one dwelling unit is constructed on the lot.

The permitted minimum road frontage shall be determined by the combination of lot size and setback of the dwelling unit from the street line, as follows: [chart and subsequent paragraph remain the same]. The Planning Board recommends this amendment. **(By Ballot)**

34. Are you in favor of the adoption of the Nelson Zoning Ordinances, 7:6.7 as follows: A driveway may not serve more than four dwelling units. Special exceptions may be applied for with the Zoning Board of Adjustment who may, with the recommendation of the road agent and selectmen, approve such an exception in the case of apartments or condominiums, or other situations where it can be demonstrated that such an exception represents a superior solution. The Planning Board recommends this amendment. **(By Ballot)**

35. Are you in favor of the amendment of the Nelson Zoning Ordinances, 9:2.2 as follows: Landowners are responsible for any types

of pollution to land, air, and water which are a result of activity or negligence. Such pollution includes, but is not limited to, the burning of toxic substances, or the release of contaminants such as oil or gasoline into the ground or water. The Selectmen will have the responsibility to report any polluting activity to the New Hampshire Department of Environmental Services, who may require corrective action and issue penalties. The Planning Board recommends this adoption. **(By Ballot)**

36. Are you in favor of the adoption of the Nelson Zoning Ordinances, Article 12:2 as follows: The meeting of each of the above conditions does not guarantee that a subdivision is qualified for approval. The Planning Board must determine that such development will be superior to conventional development in preserving open space for conservation or recreation, utilizing natural features of the land, and allowing more efficient provision of public services; and at least equal to a conventional plan in other respects. The Planning Board recommends this amendment. (By Ballot)

37. Are you in favor of the amendment of the Nelson Zoning Ordinances, Article 14 as follows: Footprint: The horizontal area as seen in the plan view, measured from outside of all exterior walls and support columns. It includes residences, garages, covered carports, and accessory structures, but not trellises, patios, courtyards, and areas of porches, decks, and balconies. In the absence of surrounding exterior walls, the building footprint shall be the area under the horizontal projection of the roof. Unattached stone steps and patios are considered landscaping and are not included in the footprint. The Planning Board recommends this amendment. (By Ballot)

38. Are you in favor of the adoption of the Nelson Zoning Ordinances, Article 15 as follows: Article 15: This document makes references to Class V, and Class V or better roads. Within this document, the term "or better" refers to lower numbers (Class I – IV). The term Class V does not refer to a standard of construction. The following explains New Hampshire's Highway Classification System, and is provided from A Hard Road To Travel, published by New Hampshire's Local Government

Center. The Highway system in New Hampshire is broken down into seven distinct classes. They are I, II, III, III-a, IV, V, and VI. Class I, II and III highways are state highways, controlled and maintained by the New Hampshire Department of Transportation (DOT), except for the "unimproved" sections of Class II highways, which are still maintained by towns. Class I and II highways are laid out by a commission appointed by the governor and council. RSA 230:8. Class III-a highways are state boating access highways under the authority of the New Hampshire Fish and Game Department. Class IV, V, and VI are local highways. Class IV are highways within the urban compact section of a city or town. Urban compact sections are designated by the NH DOT, and are restricted to certain cities and towns, of which Nelson is not one. Class III roads are state-controlled boating access roads. The Planning Board recommends this amendment. (By Ballot)

OTHER ARTICLES

39. To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

Given under our hands and seals this 15th day of February in the year of Our Lord, two thousand and six.

A true copy of the warrant, Attest:
The Nelson Board of Selectmen

Jane S. Kirk, Chairperson

Report from the Nelson Fire Chief

This year has continued its busy trend for your Fire Department. The number of calls continues to be at a level comparable to previous years. Rescue and Mutual Aid calls played the major part. Again this year, we've covered everything from major structure fires down to the false alarm level.

The year has also seen us deal with two trying structure fires that created challenges for us. One happened during mid winter, the other at the end of winter. These conditions made it even more difficult. One structure we were able to save, the other we couldn't. Having a regional Mutual Aid system is a tremendous benefit when it comes to dealing with these situations. Fully involved structure fires require a major effort to extinguish.

Budgets always seem to be of concern and like all other areas of our town government we continue to see increases for the cost of new equipment, repairs to equipment and vehicles, and the cost of fuel.

Though we try to maintain a controlled budget, having met those challenges for the past few years, we have seen the need for an increase to better deal with the challenges we face. This past year, we did some repair work on our older pumper, 3M1, to keep it running for a few more years. As you continue to support our annual Capital Reserve Fund article for a new fire truck, there are additional challenges that this will create as we set aside funding and aim to make new equipment possible. Equipment prices continue to climb. This year, we do see the need for finally finishing off the Granite Lake station. This is another area that is long over due. A dirt floor can greatly impact the underside of a vehicle and we need to finally get that finished.

At the end of 2005, we had received paperwork with regard to the second phase of the state's interoperability program for fire and emergency radios. At the start of 2006, we will be filling out the needed forms to apply for new portable radios. Also as part of this, we will be applying for two POV (Personally Own Vehicles) mobile radios for the Chief and Deputy Chief's vehicles. The grant allows for this and these units become the property of the Town, so that if a user leaves the Fire Department, retires or moves to another town, these units must be returned to the Town for they belong to the Town. Hopefully, all will go well with this grant so that the new radios will be in use by March or April.

We have another trained EMT on our squad. This has become a tremendous asset with regard to the support provided to the town's people. Member level is an asset with regard to providing coverage to the Town. As I've continued to mention in years past, we are always on the lookout for individuals who are interested in joining the Fire Department, especially those who are or want to become an EMT (Emergency Medical Technician). The Department will support the training activity for both fire fighter and EMT so that the individual can become certified. Anyone interested should contact the Fire Department.

Our total number of calls for this year is 35, which is comparable to the number of calls seen in the past few years. Again, the Fire Log continues to show that rescue calls play a major roll in our activities.

Remember, check your smoke detectors and replace the batteries on a regular basis. If you don't have smoke detectors, then it's highly recommended that you purchase and install them. They may save your life someday. Also, be sure to call the fire warden, Bob West, or one of the deputy wardens, Bud French, Charlie Lang, Terry Mednick or myself for a Burning Permit. It is required even if raining, unless there is an inch or more of snow on the ground.

I would like to again thank all the active members for their continued effort and support, and thanks also to the individuals who help and support us in the background. Remember, to report a fire or other emergency, DIAL 911 or 352-1100.

Respectfully,
Rick Lothrop, Nelson Fire Chief

FIRE PERMITS

As stated in New Hampshire State law (RSA 224:2713), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, *without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.*

Burning may be done before 9 am or after 5 pm. If it is necessary to burn during the day for commercial purposes, a special permit is required from the State Forest Ranger. It is also possible to burn on a rainy day, but a written permit is still required. Written permission is required if an individual wishes to burn on land belonging to someone else, as well. If individuals wish to burn in an incinerator, a seasonal permit may be issued, but the burning must still be done before 9 am or after 5 pm. Currently, there is no charge for these permits.

Permits may be obtained from:

Bob West	Murdough Hill Rd	847-9759
Rick Lothrop	Murdough Hill Rd	847-9045
Charlie Lang	Murdough Hill Rd	847-3277
Bud French	Center Pond Rd.	847-9995
Terry Mednick	Hardy Hill Rd.	209-4470

Report from the Former Police Chief

Bradley G. Miller

Phone: 603-847-9102 or Fax: 847-3197

The year 2005 continued the groundwork for locating the Nelson Police Department, and was proactive with building committee meetings among departments to reach resolution. I feel we are very close to a solution in the immediate future.

In my report last year, I had made mention of hiring an additional officer for the town. Unfortunately, a very good candidate withdrew from the position and left Officer Pratt and myself as the only police officers. I decided not to seek a third officer, but worked toward a solution for a more efficient department by utilizing an administrative clerk for a few hours weekly.

As I look back on 2005, I can clearly see the residents of Nelson developing a more secure presence with the Police Department, as is clearly defined by the increase in reported incidents. Our mission remains steadfast in continued efforts to maintain an open relationship with Nelson residents, and to maintain a communication link that will help the Nelson Police Department reach its goals and objectives.

During 2005 the department has added a portable radar unit, Zoll AED for the cruiser and emergency equipment for better response to calls in support of the residents of Nelson. The department now owns its firearms as well.

This year, I have managed to offer a 2006 budget that reflects NO increase. Although some of the department goals that were established last year have not been realized, I feel that in 2006 we will see those goals fulfilled and will establish new goals to better move ahead. I am confident that your continued support in 2006 will result in a successful year.

The 2005 Nelson Police statistics indicate decreases in some categories, increases in others. Last year in the State of New Hampshire, the number of traffic stops for speeding and DWI on highways and residential roadways continued to increase. I do feel that the Nelson Police should actively seek grants for speed and DWI patrols, which will provide the town with the funds for the increased patrols:

- Speeding and DWI offenders will witness a greater police presence on main and secondary town roads
- Nelson will receive an increase of revenue and compensation for the hours involved, which will reduce strain on the police department budget

This department will continue to support the State of New Hampshire and most importantly, the residents of Nelson in an effort to curb the increase in this type of dangerous behavior.

I continued to support traffic details for the State Police and Cheshire County. The State Police have assisted the town of Nelson whenever our own department was off duty.

It is time to address the Board of Selectmen and the residents of Nelson about my plans to retire from my police work career, effective in December 2005. My employment with the Town of Nelson, as your Police Chief, has been a very rewarding three years. I feel that we have all worked together establishing a community where all residents of Nelson can experience a safe and secure environment. With your support, the Police Department has been equipped with the tools to be successful in addressing future goals.

Of course, I will never forget my interaction with many residents and the fun we have had especially on Old Home Day and many other town events. To the Selectmen I say, once again, thank you for your support and your guidance. If I can be of any assistance to any of you in the future, please contact me through the Selectmen. Thank you and God bless you.

Your former Chief, Bradley G. Miller

2005 Nelson Police Statistics

Alarms	9
Animal Complaints	6
Bombs	1
Burglaries	4
Domestic Violence	16
911 hang Ups	5
Total calls for 2005	136

In addition to the above, other calls consisted of Breach of Peace, criminal threats, motor vehicle complaints, reckless operation of motor vehicles, suspicious activity, traffic stops, juvenile matters, road hazards, illegal parking, and many other miscellaneous calls that are part of the Police Chief's duties. I want to assure the residents of Nelson that I will continue to do the job of Nelson's Police Chief to the best of my ability, and look forward to serving you again next year.

Respectfully,
Richard C. Pratt, Jr.
Nelson Police Chief

HIGHWAY EQUIPMENT REPORT

This table shows road maintenance equipment owned by the town and gives you, the taxpayer, some idea of the usage of the Highway equipment, plus today's value and today's replacement cost. The Road Equipment Committee reviewed and approved this table.

<u>Equipment</u>	<u>Current Value</u>	<u>Useful Life Remaining</u>	<u>Current Cost to Replace</u>	<u>Ideal Life Expectancy</u>
'86 Grader (Acquired 1986)	\$30K	2 years	\$200K	20 years
Plows ,wings snow banks, shimwork on pavement, ditch work, grading, cutting ice.				
'93/544G Loader (Acquired 1994)	\$30K	3 years	\$150K	15 years
Loads trucks, moves equipment, cleans ditches, used as a wheel barrow.				
1998 Lt. Duty 1-ton	\$10K	3 years	\$ 50K	10 years
Hauls brush& trash, pulls road rake, plows snow, used for Dodge truck odd jobs. (Acquired 1998)				
1995/8 yd. Medium Dump Truck IH4900 Acquired 1995)	\$20K	5 years	\$125K	15 years
Hauls gravel,sand, fill and hot top. Plows snow, sands roads and is used for other maintenance.				
2003/8 yd. Med. Duty Dump Truck (Acquired 2004)	\$75K	13 years	\$1254K	15 years
Hauls gravel, sand, fill and hot top. Plows snow, sands roads and is used other maintenance.				
1976 Mack Hvy. Duty Dump Truck (Acquired 1996)	\$.5K	0-3 years	\$130K	20 years
Used to haul sand and gravel. (Repaired in 2002, only used in mud season)				
John Deere 401B Tractor * (Acquired 1991)	\$ 3K	0-3 years	\$ 50K	20 years
Mows sides of roads, pulls road rake and roller. (Repaired in 2002.)				

Submitted By: Mike Tarr, Road Agent

Nelson Road Agent's Report 2005

2005 proved to be the second year in a row that Nelson had below average snowfall. With this, it was the second year that the spring mud was minimal.

This past summer, the Road Crew addressed the silt erosion problem on Tolman Pond Road, by controlling water run off. A backhoe was rented for the project and for some of the routine maintenance chores. Some of these chores included the cleaning of ditches and the replacing of old culverts to help ensure proper drainage of our roadways. With the record rainfall that took place in the fall of 2005, this proved to be vital. The Town of Nelson had very minimal road washouts during this season.

2005 also saw record fuel prices and the Highway budget was stretched. The Highway Department will do its best to save money where we can but some costs cannot be avoided, so that we can still maintain save roads for the Nelson residents.

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. Many thanks are also extended to Nick Barrett and John Farwell for their help and many hours of hard work.

The Highway Department does appreciate updates on road conditions in your area. The road crew will respond to any problems in a timely manner.

Respectfully submitted:

Mike Tarr,
Nelson Road Agent

Town Archivist's Report 2005

This year, there were three exhibits in the History Corner in the Nelson Town Office. The display entitled *Olivia Rodham* was followed by *School Days: Nelson's One Room Schoolhouses*. The current exhibit is *Florence "Floppy" Tolman, 1901-2002* featuring her artistic constructions that she called her "confabulations." Karen and Barry Tolman (Floppy's son) generously provided these items for display.

Donations to the Archives this year include material from Priscilla Walter for the School Days display, Nelson postcards from Beth Williams, and an original architectural rendering of the Nelson school addition from Ron McCormick. Any materials concerning Nelson's history are most welcome additions to the Nelson Archives.

In addition to continuing work on the Archives, requests for information have been furnished and assistance for archival organization has been given. All the records of the Munsonville cemetery have been turned over to the Nelson Archives and these records are currently being organized.

Respectfully submitted:

Bert Wingerson, Town Archivist

Nelson Conservation Commission Report - 2005

The Nelson Conservation Commission has contracted conservation ecologist, Jeff Littleton, to conduct a detailed natural resources survey of the Great Meadow to support the proposed conservation project of the most important wetland area in the town of Nelson. The Commission has been meeting monthly throughout the year with Jeff to discuss the progress of this study. On completion of the survey, a meeting of adjacent landowners and the interested public will be held to present the results of the study.

The Commission has met with the Planning Board and the Harrisville Conservation Commission to discuss Great Meadow survey and conservation issues, to enhance cooperation and exchange information as well as reviewing conservation issues as they are presented to the Commission. The Commission has participated in the

annual monitoring of conservation easements on Nelson land held by the Harris Center, and in October, joined the Harris Center on a canoe/kayak trip through the Great Meadow to which adjacent landowners were invited. The NCC supported the Silver Lake Land Trust in the storm water management project for which they received a state grant.

A town-wide roadside cleanup, sponsored by the Commission, was held again this year in August before Old Home Week to improve the appearance of our byways. Local residents were invited to participate and many did some making it a family project. Residents are encouraged to present any conservation issues or questions to the Commission for consideration and assistance, especially to discuss options and advantages in placing development restrictions, known as conservation easements, on their property and still retain it in private ownership.

Respectfully submitted,
 Bud French, Chairman, Barbara Fraser, Bert Wingerson, Norman Barres,) Lumina Greenway and Jim Jarvela (alternate) Susan Weaver(alternate).

****Nelson Cemetery Board Report 2005****

General maintenance, the straightening of gravestones and work on the new cremation section of the old cemetery has been conducted by Cemetery Sexton, Al Struthers. A professional survey of the cremation section will be completed prior to the sale of additional lots in this area.

In November, the Nelson Cemetery Board voted to accept the management of the Munsonville Cemetery, which has been turned over to the Town of Nelson by the Munsonville Cemetery Board. All records and fund accounts were included in this transaction. The Munsonville Cemetery, formerly a private cemetery, is now closed to the future sale of lots, thought to be few in number. George Warner has agreed to continue as the Munsonville Cemetery Sexton.

There was one cremation burial and no full burials this year.
 Respectfully submitted, Bert Wingerson, Chairman, Al Struthers, Cemetery Sexton, Ron Ferguson, Tricia Jones, Edith Notman and Teri Upton.

2005 Olivia Rodham Memorial Library Report

Highlights at the Library this year: a 40% increase in overall circulation, led by a 70% increase in adult audio-visual materials and a 40% increase in interlibrary loan. We launched a cooperative library skills program with Nelson School and had a second successful summer lecture series. We are also grateful for all the book donations from patrons, up 180% from 2004!

This year Nelson School children visited the Library for five library skills programs. They came in three groups on Monday mornings and learned how to find materials in the library, the Dewey Decimal system, card catalog skills, and the availability and use of reference materials. The goal of this program is to help each student use the Library with ease and confidence. The program will continue in 2006.

Summer programs for children, a popular activity at the library, continued this year with the NH state reading theme of *Camp Wannaread*. The Library offered Tuesday morning activities: bug identification walk, painted rocks, nature collages, leaf printing, astronomy and camp gear set up. During Old Home Week, world-renowned Alex the Jester came to perform the Renaissance magic of a court jester. Eighty children and adults attended the program. This program was supported by a grant of the NH Council on the Arts and the NH State Library, donations from the Bryne Foundation, the Cogswell Benevolent Trust and the Madeline G. Weber Trust. During the six-week summer reading program, twenty-one children read two hundred seventy four books. The Friends of the Library hosted the parties and gave Toadstool gift certificates to children in the program.

The Trustees and Friends of the Library teamed up to offer a Summer Forum of five lectures on different aspects of Nelson people. Our speakers were Ralph Pope speaking on Lichens, Jonathan Weis animating the Tour de France, Allison Aldrich teaching everyone to sing, Bill Dunn on anecdotes of beer history, and Steve Bigaj facilitating a "fishbowl" discussion with young world travelers (Gretchen Alther, Molly and Spencer Peery, Cameron Mackenzie, Eliza Laughlin and Owen Iselin) of Nelson. The lectures were very well attended and after each talk, people enjoyed refreshments and browsing in the Library.

Two ongoing programs remain popular with the Nelson community.

The adult book group meets once a month on Tuesday mornings. The after-school story time meets on Thursdays. Storytime host is Sandy Ferguson, reading to the children and often leading a related activity. Twelve children attend each week.

This year, we again focused on making the Library more visible and enticing to the public. Working on library aesthetics, we added two lamps to brighten up dimmer areas in the Library.

The Library collection is constantly changing and being updated. Old, tattered, and unused books are weeded out as we make room for new books. We purchased a series of books on earth science and early world history. We added several audio books on CD.

Another summer tradition is the Book Sale on Old Home Day, hosted by the Friends of the Library. This year was a success, with a total income of \$1,576. Thank you to everyone who donated books, tapes, CDs, and videos; bought book bags; or became a member of the Friends of the Library. You made it possible to buy \$1,000 worth of books for the general library collection, to be purchased in the year 2006. Donations of books can be dropped off at the library throughout the year. Especially needed is the donation of time before, during and after Old Home Day to organize the sale. The Friends of the Library also hosted the Annual Friends meeting held in July.

The Nelson Library receives monetary donations throughout the year. Monies from Memorial Funds supplement Town appropriations and gifts to the library. Other donations we appreciate are the current (only the present month please) periodicals that are dropped in our box. Our periodical reading corner has two comfortable reading chairs in which to peruse our selection of twenty five monthly magazines.

Jennifer Fraser is our regular Library substitute, with Bruce McSheehy filling in. Jennifer, working as a volunteer also, is trained in many library skills and accomplishes many tasks when she is in the Library.

Patrons with overdue books are called twice a month by a volunteer, which results in a reasonable return rate for Library materials.

The Trustees during 2005 were Sandy Mackenzie, Betsy Street, Steve Bigaj, Ethan Tolman and Donna Kidd. There were 11 meetings of the Library Trustees this year.

This year the volunteers totaled 375.5 hours. The following list includes most of the volunteers. If I have forgotten anyone, my apologies!

Frequent volunteers- Pamela Tolman, Betsey Church, Jennifer Fraser, Jayne Alexander, Dublin School students, Ann Bunce, Kathy Schillemat, and Susan Hansel.

Occasional Volunteers- Julie Pakradooni, Liza Constable, Earl Creasey, Elaine Giacomo, Jonathan Weis, Emily Merrifield, Kylie and Shauna Landrey, Oliver Mednick.

Children's Programs – Sandy Ferguson, Tim Stillman.

Flowers - Pamela Tolman,

Computer Maintenance - Terry Mednick

Computer Statistics -Tom Buttrick

Olivia Rodham Memorial Library
Notes on 2005 Treasurer's Reports and 2006 Budget

2005 Bottom Line: Expenses exceeded income by \$862.28 because we spent down our checking account balance rather than take income from taxes or memorial funds.

Income: The Library received a \$278 grant to help pay for a summer children's performance.

Expenses: Overage in Children's Programs is offset by \$278 in grant funding. The Telecommunications line item covers a voice phone line, an Internet phone line and an Internet service provider.

Memorial Funds: Some funds are restricted to certain areas (like children's books); others are unrestricted. We transferred money from the Hardie Shepherd Children's Book Fund to help pay for purchases for the children's collection.

Basement Building Project: The 2006 Proposed Budget includes \$500 to pay for contracted finish-up work by our contractor in the spring.

2006 Proposed Budget Notes: The increase in Periodicals reflects increases in subscription prices. Telecommunications is going up because a more expensive company bought our Internet service provider. Tuition and Dues are up, enabling our Librarian to attend a local literature festival. As usual, we do not intend to spend the \$2000 in Repairs and Maintenance. However, your vote authorizes the expense if things come up during the year. We would use money from memorial funds to cover any expenses there.

We are requesting a tax appropriation of \$26,390, of which \$18,900 will come from property taxes and \$7,490 from memorial funds, gifts and other sources.

A Message from the Chairman of the Library Trustees

As the Librarian's report indicates, 2005 was a full and productive year of service to the Town and its residents. The Trustees are especially pleased that some of the new efforts on the part of the Library met with such a positive response: the speakers' program was again well received; the book sale met with success; and, as always, the children's programs, organized by Librarian Kris Finnegan, were popular.

At the end of 2004, the Trustees had hoped to push ahead with plans to continue work improving the basement section of the Library, to create a meeting room that could be used for Library functions, and used as well by other Town groups and committees. Without question, there is a real need for such a space. For several reasons, not least the impact of school costs, the Trustees postponed further work on this project until next year.

As always, the Trustees are appreciative of the efforts of all the many volunteers, donors, book sale helpers and indeed patrons, who together make the Library one of the many highlights of life in Nelson.

For the Trustees,
Ethan Tolman, Chair

TOWN CLERK/TAX COLLECTOR YEAR-END REPORT - 2005

Each year when I prepare my written report for all of you, I reflect on all that has occurred over the past year, and all that we have to look forward to in the upcoming year. The big news is probably that we are "up and running" on the state's new vehicle registration software. As many of you are aware, this has not been accomplished without complications and frustration despite excellent service from Help Desk personnel at the State DMV. The State Information Systems people have been working out bugs in the software program itself, but a great deal of the frustration is due to the lack of high-speed internet connection here in Nelson. This is a problem not only in the Town Office, but for our townspeople as well, because whether or not we use computers ourselves, our working and personal lives are now inextricably connected electronically to the world.

Vehicle registration is one obvious example. With the new registration system mandated by the State, but without high speed Internet connection, it is taking us, on average, three times as long to re-register a vehicle. If we had a standard high-speed Internet connection, we would cut the waiting time to a fraction of what it is at present.

In addition to the changes in vehicle registration and voting procedures, the State is putting all towns' Vital Records on-line electronically, and, within the near future, we will be part of the new system. Without high-speed Internet connection it will take your Town Office personnel much longer to accomplish vital-records related tasks.

Convenience for residents and productive use of Town employees' time are not the only issues. It is also a matter of law. To comply with the Help America Vote Act, the State of NH will have merged all town and city voter checklists into a state-wide list by the September 2006 State Primary Election. We will be using our first electronic voting machine here in Nelson. This too will require an Internet connection. We will also have a laptop computer at the polls to provide instant Internet access to the Statewide Voter Database. It will be used to enter new information, verify old information, and

cross-check voter names. All this means that the position of Supervisor of the Checklist requires computer skills.

I am taking the opportunity with my report to you this year to emphasize that, regardless of our size, it is just as important for the Town of Nelson as it is for any large city to be current in its ability to communicate with the outside world via high-speed Internet connection.

On another note, it is my pleasure to say "Thank You" to Edith Notman, Deputy. Edith is a trooper and has trudged through our computer difficulties with her characteristically delightful personality. Thank you, Edith, for everything.

Our current historical display consists of several creative works done by Frances (Floppy) Tolman. Bert Wingerson continues to provide all of us with glimpses into our past . It's wonderful to remember and to enjoy the beauty of our people and our past. Thank you, Bert.

Respectfully submitted,
Theresa M. Upton, Town Clerk/Tax Collector

2005 Report from the Planning Board

This year has been a busy one for the Planning Board. While we have had only three subdivision hearings, which have resulted in five new lots in the Town of Nelson, we have been actively involved in updating Town planning documents. The Town Meeting Warrant reflects our continuing effort to improve the Zoning Ordinance. A number of amendments and additions will be voted on by ballot at Town Meeting.

We have also made a few changes to the Subdivision Regulations in an effort to clarify the regulations. The main thrust of our work, however, has been to update the Master Plan for the Town. All residents and landowners should have received a survey at the beginning of the summer. Gordon Peery presented an entertaining and informative slideshow of the results, followed by a lively discussion of the merits of narrow roads, building inspectors, and various other points of concern from the assembled citizens.

We hope to have the Master Plan updated and complete before the end of 2006, and anticipate holding a hearing to present the results of

our work to the Town. Many thanks to Gordon Peery, who has served with humor and diligence as Planning Board Chairman for the past three years. He will continue as a member of the Board for many (we hope) years to come. The Board also extends our gratitude to those who have served and continue to serve on the Re:Visions Committee. Their energy and enthusiasm has contributed so much to the work of the Board.

If residents have issues to come before the Board, call Vangie McCormick at the Town Office to schedule a slot on the agenda. The Board meets on the 2nd Thursday of the month, at 7:00 p.m.

Respectfully submitted,
Katharine Schillemat, Chairman

A MESSAGE FROM THE ZONING BOARD CHAIR

With the zoning ordinance changes put into effect March 2004, as a result of the vote at Town Meeting, the ZBA has seen a reduced number of appeals, requests for variance and special exceptions over the past two years. Yet, with those reduced numbers, those that we have seen and reviewed have been quite thought provoking and reinforce the need for very clear and concise regulations for us to follow and reference. Members of our Board are in constant communication with members of the Planning Board, to ensure that what we have in place for regulations are clear, fair to property owners and consistent with the Master Plan of the Town. We have had many instances of correspondence with the NH Office of Energy and Planning, to either obtain ideas and information or to seek assistance in the wording of those zoning regulations that you see.

I have been extremely fortunate to work with such dedicated members, both on our Board and Town offices. They are very thoughtful and mindful of all issues that are presented to our Board and are always trying to do what is right and in the Town's best interest.

Respectfully submitted:
Peter A. Brnager, Chair

Memorial Day Ceremony Report 2005

Nelson Memorial Day Ceremonies began with the Nelson Band playing the familiar sounds of patriotic songs in front of the Town Hall. The village began to fill with people and the sight of American flags filled the Common. As noon approached, the Scouts, along with Rev. Dawn Garrett-Larsen and Veteran Bill Riley, headed up the procession as they began marching around the Common. As they marched, they stopped at the War Memorials that are around the village; the Scouts set out geraniums in honor of veterans who had died for our freedom. The band then led the parade to the Village Cemetery, followed by the community members, who waved their flags to the beat of the drums. As we arrived at the cemetery, the Scouts and young people set geraniums on the graves of the veterans and listened as the band played "America The Beautiful". Rev. Dawn Garrett-Larsen offered words of remembrance of veterans who died and to honor those who have served and are serving our country today. The ceremony ended with the band playing "The Star Spangled Banner" which echoed across the hills, followed by a rifle salute and "Taps". In silence, all gathered back together to march back to the village, remembering all those servicemen and women of yesterday, today and tomorrow.

NELSON OLD HOME WEEK REPORT 2005

Nelson Old Home Week began Sunday, August 7th, and went through Saturday, the 13th. It was wonderful week spent with family as well with neighbors and friends of past and present. Nelson Old Home Week is a tradition that celebrated its 127th year.

We missed the Nelson Ladies Aid Sale that had been a long standing tradition for Nelson. The Nelson Art Gallery that usually features a Nelson artist during Old Home Week also closed during 2005 so that was also missed. There were the usual events that were held during the week that we all have come to look forward to;

- Old Home Sunday Worship Service at the Nelson Congregational Church and Sunday Evening Vesper Service
- Monday Night Contra Dance
- Olivia Rodham Memorial Library Children's Program with "Alex The Jester"
- Apple Hill Chamber Music Concert
- Packersfield Supper
- Monadnock Music Concert
- Nelson Folks Concert
- Friends of the Olivia Rodham Memorial Library Book Sale
- Photo display of past Old Home Days

It was a busy place early on Saturday morning for those setting up for all the activities that were to happen through out the day. The smell of chicken cooking over the barbeque pit and the aroma of fresh coffee brewing wafted over the area. The clanging of chairs being set up on the Church lawn was heard and folks watched as Scout flags were placed by boys and girls near their tables as they set up their refreshments and Nelson T-Shirts for sale. The doughnut holes that the children love to buy with the pennies they would find in the sawdust penny hunt are a big hit. Other sights would be people lined up waiting for the opening of the Library Book Sale and the games being organized on the Common by the very energetic people who were soon surrounded by kids of ALL ages. As the morning rapidly flew by, the Nelson Town Band playing was the signal for lunch. The Old Home Day Speaker for 2005 was Lee Dunham, President of the Old Homestead Association for the past 13 years. Lee told the history of the Old Homestead Play and the tradition and meaning it has to Swanzey. He shared how much he enjoyed watching all the day's activities and how wonderful it was to see so many people of all ages enjoying the day. Lee's last words of the day were how special it is to continue the traditions of our community. As communities grow and change, Lee sees and has experienced the challenges to keep alive these traditions such as the Old Homestead Play in Swanzey. Lee strongly encouraged all us to take on these challenges to keep our tradition of Nelson Old Home Day alive and strong. The day concluded with the Nelson Fire Dept.'s waterball contest, the softball game at Eagle Field (for those who still had energy) and an evening of the marvelous musicians of the

Nelson Folks Concert. Many thanks to ALL the Nelson Folks who donate their time and energy in keeping this very special tradition of Nelson Old Home Week alive and well.

Respectfully submitted,

Nelson Old Home Week Committee

Kathy Blaudschun, Jim Jarvela, Sam Romano, Kathy Schillemat , Beth Williams, Geoff Williams, and Maureen and Brian Lord

Granite Lake Village District Minutes 2005 Annual Meeting

The 2005 Granite Lake Village District meeting began at approximately 1 PM on July 7, 2005. Minutes from 2004 and articles for the 2005 agenda were read. Several guests were also present.

1. To choose one commissioner for a term of three years and to see whom the inhabitants of the District will elect for the offices of Clerk, Moderator, and Treasurer, each for the term of one year. Nominated were: Phil Hamilton, Commissioner, Sally Ripley, Clerk, John Halter, Moderator, and Tom Yocono, Treasurer. Due to sudden resignations of 2 or 3 current Commissioners (Phil Hamilton and Kevin Robbins) during the weekend directly preceding the meeting, lengthy discussions followed. Bob Englund and Bob Sharkey came forward to volunteer; Bob Woods talked about how it was very often necessary for 2 Commissioners to remove or add boards because of sudden rains. The height requirements of the lake level was also discussed at length. It was decided to have a study committee formed and meet again on July 23rd, 2005 at 9AM. A motion to recess was appropriately made and seconded. The vote was affirmative. At the July 23rd meeting, John MacAllister was elected to a three-year term and Tim Rohr was elected to complete Kevin Robbins' term. Election of Treasurer, Clerk and Moderator were as nominated. A motion to approve was appropriately moved and seconded. The vote

was affirmative. A motion to adjourn was appropriately moved and seconded.

2. To see if the District will vote to authorize the Commissioners to borrow in anticipation of taxes. The motion was appropriately moved and seconded. The vote was affirmative.
3. To see if the District will vote to raise and appropriate the sum of \$350.00 to defray Village District expenses for the ensuing year and make appropriations of the same. The motion was appropriately moved and seconded; the vote was affirmative.
4. To see if the District will raise and appropriate the sum of \$750.00 to purchase liability insurance to cover the District. The motion was appropriately moved and seconded and the vote was affirmative.
5. To see if the District will vote to raise and appropriate the sum of \$500.00 to add to the Capital Reserve Fund for dam maintenance, repair and or replacement. The motion was appropriately moved and seconded; the vote was affirmative.
6. To see whether the District will vote to accept funds from the Granite Lake Association or from any other source, for the purpose of maintaining, repairing and/or replacing the dam. The motion was appropriately moved and seconded; the vote was affirmative.
7. To see if the District will appropriate from surplus funds the sum of \$5,000.00 to be placed into the Capital Reserve Fund for dam repair, maintenance, and/or replacement. The motion was appropriately moved and seconded; the vote was affirmative.
8. To see if the District will schedule it's annual meeting to follow the Granite Lake Association annual meeting in 2006. It was voted to recess to a special meeting on July 23rd, 2005, to decide Articles 1 and 8 only. Article 8 was duly postponed to the special meeting at which the motion was appropriately made and seconded to schedule its' meeting to follow the Granite Lake Association meeting in 2006. The vote was affirmative.

Submitted by: Sally Ripley, Clerk

A relative tone of sadness overshadowed Town Meeting Day as the news of yet another fire was passed from one to another. Nelson is proud of it's competent volunteer Fire Department, and again they proved their worth as they saved the French homestead on Center Pond Road from total loss. Once the fire was extinguished, many people rallied to close up the house before the impending severe winter storm watch. A fireman's boot for accepting donations and sign-up lists soliciting food and help to meet family needs were available throughout Town Meeting.

ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.

The following were elected:

Selectman (3 years), Charles O. Lang - 103 votes

Emergency Management Officer (1 year), Richard Lathrup -104 votes

Treasurer (1 year), Terry Mednick 99 - votes

Sexton (1 year), George Warner, Sr. 104 - votes

Trustee of the Library (3 years) , Steven Bigaj - 82 votes

Betsey Street - 98 votes

Trustee of the Library (1 year), Ethan Tolman - 97 votes

Zoning Board of Adjustment (3 years), Peter Brnger - 99 votes

Auditor (1 year), Carol Newcombe - 104 votes

Trustee of Trust Funds (3 years__, Edith Notman - 104 votes

Road Equipment Committee (3 years), Kirk Dale - 99 votes

Road Equipment Committee (2 years), Greg W. Fraser - 101 votes

Planning Board Member (3 years), Gordon Peery - 102 votes

Shortly after 7PM, Ethan Tolman, Moderator, declared the polls closed and

the business portion of the meeting began. The scouts presented the Flag as all joined in the Pledge of Allegiance. Jane Kirk, Chair of the Board of Selectmen requested permission for Gary Kinyon, Town Counsel, Brad Miller, Police Chief, and MaryLou Hall, Administrative Assistant, to speak. The meeting had no objection, and permission was granted.

From there the meeting went on to handle the many articles before it. as the winter storm surged and blew furiously outside.

2. To see if the Town will vote to raise and appropriate the sum of \$ 141,475.00 to defray Town charges for the year ensuing. (\$134,650 in 2004.)

The article was accepted as read. There was no discussion and the article passed by voice vote.

At this point, John Bunce made a motion that Article 22 be discussed and voted on at this point rather than in the order presented on the warrant. The motion carried by voice vote.

22. Shall the Town notify the Governor and the Commissioner of the Department of Transportation of the State of New Hampshire, that the Town has no objection to the complete discontinuance by the State of New Hampshire of that portion of Class II State Highway, being the original Keene to Concord or Franklin Pierce Highway lying between Mill Pond Road and Old Route 9 along land of Cucchi and the Methodist Chapel by the Lake and that if the State does discontinue said highway, the Town of Nelson will not claim, assert or accept any right, title or interest or to said highway or its right-of-way; and further:

Shall the Town notify the Governor and the Commissioner of the Department of Transportation of the State of New Hampshire, that the Town approves the reconfiguration/realignment of the traffic pattern/flow from this discontinuance to the "T" intersection of Mill Pond Road and Granite Lake Road which includes widening the intersection of Mill Pond Road and Granite Lake Road by approximately five (5) feet along its easterly side from a point beginning at the southwestern point of the triangle of land formed by Old Route 9, and Mill Pond Road and Franklin Pierce Highway and extending northwesterly to a point of the intersection of Mill Pond Road and West Shore Road. The Town of Nelson will not incur any costs associated to the reconstruction. The State of New Hampshire Department of Transportation will either perform the work or approve engineering plans and construction bids/contract.

Inserted by petition.

The article was accepted as presented. Ann Cucchi presented information in favor of this article, and Rob Faulkner, from Clough Harbour & Associates made a slide presentation showing the existing and the proposed road layout on behalf of Mr. & Mrs Cucchi. Gary Kinyon, Town Counsel, spoke in opposition to this article on behalf of the Board of Selectmen. A motion to pass over this article lost by voice vote. A written ballot was requested on Article 22 as presented. The result of the written ballot: YES 24 and NO 82. A motion to prevent this article from being re-considered again at this meeting according to RSA 40:10 was accepted and passed by voice vote.

3. To see if the Town will vote to raise and appropriate the sum of \$3,359 in support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family Services (\$809), The Keene Community Kitchen, Inc. (\$1,500) and Southwestern Community Services (\$500). (In 2004, these agencies received contributions from the Town in the amount of \$2,859) The article was accepted as read. There was no discussion and the article passed by voice vote.

4. To see if the Town will vote to raise and appropriate the sum of \$54,000, to cover the cost of both a Town wide revaluation and new assessing software to replace the current CAMA system. \$34,000 will be raised by taxes and \$20,000 will be transferred from the Revaluation 2006 Capital Reserve Fund, which had a balance of \$ 20,288.55 as of 12/31/04. The article was moved and seconded. The Selectmen offered an amendment to read: "To see if the Town will vote to raise and appropriate the sum of \$22,150 to cover the cost of both a Town wide revaluation and new software to allow communication between the existing CAMA and BMSI systems. \$2,150 will be raised by taxes and \$20,000 will be transferred from the revaluation 2006 Capital Reserve Fund, which had a balance of \$20,288.55 as of 12/31/04." The amendment was approved by voice vote. A second amendment was offered: "To see if the Town will vote to raise and appropriate the sum of \$13,100 to cover the cost of both a Town wide revaluation and new software to allow communication between the existing CAMA and BMSI systems. All monies will be transferred from the Revaluation 2006 Capital Reserve Fund, which had a balance of \$20,288.53 as of 12/31/04. The Selectmen will try to get competitive bids for this service. " This second amendment was passed by standing vote: YES 47 and NO 21. Article 4 as amended was then passed by voice vote.

5. To see if the Town will vote to raise and appropriate the sum of \$25,350 for support of the Town Library. (In 2004, the appropriation was \$24,142.)
\$17,900 to be raised by taxes

\$ 7,450 income from Library memorial funds and other sources

The article was accepted as read. There was little discussion, and the article passed by voice vote.

6. To see if the Town will vote to raise and appropriate the sum of \$2,000, to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (2004 appropriation was \$2,000. The fund balance on 12/31/04 was \$ 8,228.63). The article was accepted as read. There was no discussion and the article passed by voice vote.

ARTICLES DEALING WITH PLANNING & ZONING

7. To see if the Town will vote to raise and appropriate the sum of \$715 for dues to belong to the Southwest Region Planning Commission. (\$712 in 2004). The article was accepted as read. There was no discussion and the article was passed by voice vote.

8. To see if the Town will vote to adopt the following addition to Article 14, Definitions, of the Nelson Zoning Ordinance, for clarification purposes, as recommended by the Nelson Planning Board: "Footprint: The external dimensions of a structure, including any attached additions such as porches, decks, catwalks and stairs. Note: Unattached stone steps and patios are considered landscaping and are not included in the footprint." (By ballot) Gordon Peery, Planning Board Chair, indicated that due to conflicting information, there was no public hearing held on this article.

Voting results: YES 79 NO 26

ARTICLES DEALING WITH SERVICE AND PROTECTION

9. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,700.00 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2004 was \$2,139) The article was moved and seconded. The Selectmen proposed an amendment as follows: "To see if the Town will vote to raise and appropriate a sum not to exceed \$4,700 as

a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual call (the appropriation for 2004 was \$2,139)" The Selectmen explained that Keene has refined their pricing to avoid deficit spending and that this is the reason for their marked increase in our cost for their service, and the need for an amendment to the original article as presented. The amendment was adopted by voice vote, and the amended article was then adopted by voice vote.

10. To see if the Town will vote to raise and appropriate the sum of \$3,000, as the Town's share for the development of a Hazardous Mitigation Plan, to comply with a federal mandate . This work will be supervised by the Southwest Region Planning Commission. The remaining funds needed to accomplish this work will be provided by a grant through Southwest Region Planning Commission. This article is recommended by the Nelson Emergency Management Officer. The article was accepted as read. There was little discussion and the article passed by voice vote.

11. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the proper expenses of the Fire Department and Rescue Squad. (The 2004 appropriation was \$10,000.) The article was accepted as read. There no discussion and the article passed by voice vote.

12. To see if the Town will vote to raise and appropriate the sum of \$500, to cover expenses which will be reimbursed by the NH State Fire Warden, and will appear as revenue on the Budget Comparison. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The article was accepted as read. There was no discussion and the article passed by voice vote.

13. To see if the Town will vote to raise and appropriate the sum of \$25,000 to create a Fire Equipment Capital Reserve Fund for the purpose of purchasing fire apparatus for the Fire Department. No withdrawals maybe made except by vote of the Town and upon the recommendation of the Fire Chief. The Selectmen recommend this appropriation. The article was accepted as read. After explanation from the Fire Chief, the article was passed by voice vote.

14. To see if the Town will vote to raise and appropriate the sum of \$34,467 for the proper expenses of the Police Department. (\$24,500 in

2004.) The article was accepted as read. After some discussion, the article was passed by voice vote.

15. To see if the Town will vote to raise and appropriate the sum of \$1,500 to purchase a hand-held radar unit for use by the Police Department. The article was accepted as read. After discussion and demonstration of a hand-held radar unit, the article was passed by voice vote.

16. To see if the Town will vote to raise and appropriate the sum of \$8,500 to cover the expense of patrols and details by the Nelson Police Department for the State of New Hampshire, Cheshire County Sheriff's Office and other authorized municipal entities. The cost will be offset by grants and payments, which will appear as revenue on the Budget Comparison. The Department of Revenue Administration recommends this method of accounting, in order not to impact the operating budget of the Police Department. The article was accepted as read. After some discussion, the article was passed by voice vote.

ARTICLES DEALING WITH ROADS

17. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this Fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. (The fund balance on 12/31/04 was \$19,735.94. 2004 appropriation was \$15,000.) The article was accepted as read. With no discussion the article was passed by voice vote.

18. To see if the Town will vote to raise and appropriate the sum of \$189,000 for the maintenance of highways and bridges for the ensuing year budget. The Selectmen recommend this appropriation.

\$151,090.79 TO BE RAISED BY TAXES

\$37,909.21 to be designated from the Highway Block Grant
(The 2004 appropriation was \$189,000.)

The article was accepted as read. With little discussion the article was passed by voice vote.

19. To see if the Town will vote to raise and appropriate the sum of

\$25,000, to be added to the Capital Reserve Fund for the Salt Barn and Storm water site work, at the Town Barn on Old Stoddard Road. It is understood that no withdrawals may be made from this Fund except by the vote of the Town. The Selectmen recommend this appropriation. (2004 appropriation was \$55,000. Balance as of 12/31/04 was \$55,102.09). The article was accepted as read. After an explanation of what this article is for, the article passed by voice vote.

20. To see if the Town will vote to raise and appropriate the sum of \$25,000, for the installation of a well and septic system at the Town Barn on Old Stoddard Road. The article was accepted as read. Gordon Peery offered an amendment to read: "To see if the Town will vote to raise and appropriate the sum of \$10,000 towards the eventual purchase of a water supply and waste disposal system at the town barn on Old Stoddard Road." The amendment passed by voice vote. Jane Kirk, Selectmen Chair indicated here that the Board is developing a task force to look at town buildings to develop short and long range goals for town facilities. The amended article was passed by voice vote.

21. To see if the Town will vote to raise and appropriate the sum of \$3,500 to be used by the Nelson Highway Department to install new safety signs on Nelson roadways. The article was accepted as read. There was much discussion of what kinds of signs and what purpose they will serve. The signs will be State approved signs, and will be for safety purposes. The article was voted on by standing vote, YES 31 NO 30.

OTHER ARTICLES

22. See above after Article 2

23. To see if the Town will vote to raise and appropriate the sum of \$5,500 to address silt erosion from Tolman Hill into Tolman Pond. This work is recommended by the Department of Environmental Services (DES). Inserted by petition.

The article was accepted as read. Barry Tolman addressed this issue indicating what work needs to be done & how. The article passed by voice vote.

24. To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

At this point, Jane Kirk made an award presentation to Kathleen Blaudschun (who was not here due to the French homestead fire). Jane read the content of the framed Certificate of Recognition and Appreciation for Community Service aloud to the meeting. There was a hearty round of applause.

Motion to adjourn was eagerly passed, and townspeople left at 11:00PM to head home in a blizzard of horizontally blowing snow in high winds and snow drifts.

Respectfully submitted,

Theresa M. Upton
Town Clerk/Tax Collector

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 10th day of March, 2006, at 3:00 in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 3:00 p.m. and will remain open for not less than five hours.

ARTICLE 1: To choose all necessary school district officers:

One member of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer for the ensuing year from July 1, 2006

Given under our hands at said Nelson, this 22nd day of February, 2006.

NELSON SCHOOL BOARD

Kelly M. French, Chair
Anne F. Cucchi
Thomas B. Newcombe

**** FOR PRINTING PURPOSES ONLY. SUBJECT TO
CHANGE PRIOR TO FINAL POSTING****

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson
qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said
District on the 10th day of March, 2006, at 7:00 p.m. to act upon the
following articles:

- ARTICLE 1: To hear the reports of agents, auditors, committees or
officers chosen, and pass any vote relating thereto.
- ARTICLE 2: To see what sum of money the District will vote to
raise and appropriate for the support of schools, for
the salaries for school district officials and agents,
and for the statutory obligations of the District, or to
take any other action in relation thereto.
- ARTICLE 3: To see if the District will vote in favor of changing
the terms of the School District Clerk, Moderator,
and Treasurer from one-year terms to two-year terms;
the change shall take effect at next year's regular
District Meeting, March, 2007; or to take any other
action in relation thereto. *(Must use ballot vote.)*
- ARTICLE 4: To see if the District will vote to raise and
appropriate up to \$20,000 from its unencumbered
funds, if any, remaining on hand at the end of fiscal
year, June 30, 2006, to the Capital Reserve Fund
established by the voters of the District at the March,
1972, District Meeting for the purpose of
construction/reconstruction of buildings and/or
purchase of equipment, and/or the acquisition of land
for school purposes, or to take any other action in
relation thereto. *(The Nelson School Board
recommends favorable action on this warrant
article.)*

- ARTICLE 5: To see if the District will vote to raise and appropriate up to \$10,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2006, to the High School/ Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education and/or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2006 to fund this appropriation and the appropriation in Article 4 (Capital Reserve Fund), Article 4 will be funded first, with any additional surplus to be applied to this warrant article. *(The Nelson School Board recommends favorable action on this warrant article.)*
- ARTICLE 6: To see if the District will vote to raise and appropriate \$20,000 to be used to develop and design preliminary plans for a school renovation project which includes the addition of a community multi-purpose room, improved kitchen facility, and additional space for special educational services, said sum to be transferred from the District's Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*
- ARTICLE 7: To transact any other business that may legally come before this meeting.

Given under our hands at said Nelson this 22nd day of February, 2006.

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Nelson School District
Nelson, New Hampshire

We have audited the accompanying financial statements of the Nelson School District as of and for the year ended June 30, 2005 as shown on pages 2 through 6. These financial statements are the responsibility of the Nelson School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has not implemented Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. Therefore, these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements, were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Nelson School District as of June 30, 2005, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was made for the purpose of forming opinions on the basic financial statements of the Nelson School District taken as a whole. The combining and individual fund statements are presented for purposes of additional analysis and are not a required part of the financial statements of the Nelson School District. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Nelson School District do not fairly present financial position and results of operations in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements.

ANNUAL SCHOOL DISTRICT MEETING NELSON SCHOOL DISTRICT March 4, 2005

Richard Church, Acting Moderator, declared the polls open at 3:00 p.m.

Moderator Ethan Tolman called the meeting to order at 7:00 p.m., in the Nelson Town Hall. He announced that the polls would remain open until 8:00 p.m. A motion was made and seconded to waive the reading of the warrant. In attendance from School Administrative Unit 29 were: Barbara Tremblay, Superintendent of Schools, Wayne Woolridge, Assistant Superintendent, and Tim Ruehr, Business Manager for Towns. Approximately 25 residents of the Town of Nelson were also in attendance.

Article 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

It was moved and seconded that the District receive the reports of agents, auditors, committees or officers chosen as printed in the annual report. The article passed by voice vote.

Article 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate the sum of \$1,382,852 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District. Kelly French, School Board Chairman, explained the budget. After some discussion, Article 2 passed as presented.

Article 3: To see if the District will appropriate and authorize the School Board to transfer up to \$10,000 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2005, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that Article 3 be passed over. Article 3 was passed over by voice vote.

Article 4: To see if the District will appropriate and authorize the School Board to transfer up to \$10,000 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2005, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education and/or high school/middle school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2005 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article.

It was moved and seconded that Article 4 be passed over. Article 4 was passed over by voice vote.

Article 5: To see if the District will vote to raise and appropriate up to \$5,000 for studying the feasibility of renovations of the Nelson School's kitchen/multi-purpose room and related costs and, further, to authorize the withdrawal of said sum, \$5,000, from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings, and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that the District vote to raise and appropriate up to \$5,000 for studying the feasibility of renovations of the Nelson School's kitchen/multi-purpose room and related costs and, further, to authorize the withdrawal of said sum, \$5,000, from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings, and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

Article 5 was passed as presented.

Article 6: To see if the District will vote to raise and appropriate \$2,200 for the purchase of a theater residency program, or to take any action in relation thereto.

It was moved and seconded that the District raise and appropriate \$2,200 for the purchase of a theater residency program. The article was passed as presented.

Article 7: To transact any other business that may legally come before this meeting.

Kelly French asked that the voters join in a round of applause to thank Susan Peery for her service on the search committee for a superintendent of SAU 29. The voters assembled applauded enthusiastically. Richard Church asked that the voters join in a round of applause to thank Ethan Tolman for more than 30 years of service as Moderator for the Nelson School District. Mr. Tolman will be retiring at the close of the School District Meeting. There was a standing ovation in gratitude for Mr. Tolman.

With no further items to come before the meeting, it was moved and seconded that the meeting be adjourned. Moderator Ethan Tolman also declared the polls closed at 8:10 p.m. The meeting was adjourned at 8:30 p.m.

Voting for Elected Officials March 4, 2005

Results of the voting were as follows:

Member of the School Board for the ensuing three years: Thomas Newcombe
 Moderator for the ensuing year: Richard P. Church
 Clerk for the ensuing year: Katharine Schillemat
 Treasurer for the ensuing year from July 1, 2005: Hope Lothrop

Respectfully Submitted,

Katharine Schillemat, Clerk
 Nelson School District

A True Copy Attest

ADMINISTRATIVE REPORT

Nelson students are indeed fortunate to attend such a warm and caring school. In addition, Nelson students have a history of being academically prepared to succeed at Keene Middle School and Keene High School. For example, of Nelson's 24 students at KMS, 54.1 percent were on the honor roll for the first marking period compared to 42.8 percent for the total population. And, 50 percent of Nelson's students were on the honor roll for the second marking period compared to 37 percent of the total KMS population. Nelson students were also well prepared for math with 41.6 percent taking the accelerated math program compared to 21 percent of the general population. Also, 41.6 percent of Nelson's students participated in extracurricular clubs compared to 24.7 percent of the general population; and, 54.1 percent were involved in extracurricular sports compared to 40 percent of the general KMS population.

Nelson has 39 students at Keene High School this year. The overall grade point average (GPA) was 2.84 as compared to 2.76 for the total Keene High student body. Nelson students' attendance rate (97.4%) was also above the high school rate (95.1%). Sixty-eight percent of the students taking an English class earned a grade of "B" or better. Forty percent of those taking a math class, 64 percent taking a science class, 67 percent a social studies class, and 88 percent taking a world language earned a grade of "B" or better.

Over 40 staff members from nine schools in SAU 29 and Winchester Elementary School participated in summer curriculum work in English Language Arts (ELA), Mathematics, and Social Studies in 2005. The primary focus of the activities in ELA and Math was the alignment of SAU 29 curriculum to New Hampshire assessment standards known as Grade Level Expectations (GLEs). This was a continuation of work begun in 2004 seeking to ensure that instruction prepares students for state assessments without diminishing the breadth and quality of the programs provided by our schools.

In 2006, curriculum work will emphasize K-12 science, physical education, and health, as well as continued work in social studies with a focus on grades five and six.

Focus on student achievement has Nelson students joining their classmates in other SAU 29 schools by participating in the Northwest Evaluation Association program during the 2006-2007 school year. NWEA has grown dramatically in recent years as school districts seek a method for measuring individual student progress over time. The computer adaptive tests give students, parents and teachers immediate feedback on student progress and level of performance. Expenses associated with the implementation of these assessments have been paid through district-wide grants.

Nelson has a tremendous level of parental involvement and support, which research shows is critical to student success and overall school quality. The Nelson School playground is a direct result of a strong PTA presence and high volunteerism, which are characteristics of Nelson School. These factors contribute to a positive school environment and strong community ownership in, and support for, the school. Nelson teachers have continued their efforts to ensure that the children are offered a well-coordinated and challenging curriculum. Many have worked hard to broaden their subject area background and/or their skills to meet the needs of each child and to enhance their effectiveness as a teacher. This has come as a result of their involvement in quality professional development training in areas such as skillful teaching techniques, curriculum mapping, technology integration, teaching in the content area (reading, social studies), and the needs of disabled students.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and interaction with, the staff. One example of this is the annual school board/staff goal-setting retreat. This activity not only produces a focus around which planning and allocation of resources occurs, but also a dynamic of cooperation and trust.

The Nelson School community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the school. Please make the time to visit the school, to attend a school-related activity, or attend a school board meeting. Please be sure to attend the annual district meeting on Friday, March 10, at 7:00 p.m. in the Nelson Town Hall.

Michele L. Munson
Superintendent of Schools

PRINCIPAL'S REPORT

The 2005-2006 academic school year began with 59 students. We welcomed three new families to the Nelson community.

Nelson's core teaching staff has remained intact this year. Cindy Benner continues to teach the R/1/2 grade class, Kristin Mullins returns as our 3/4 teacher, and Tina Lepple (formerly Tina Denis) continues to be our 5/6 classroom teacher. Our specialists are Kim Wallach, who teaches music, and Marylise Reilly, who teaches French and art. This year Lisa Manning-Blattstein joined the Nelson staff as our physical education teacher. Returning support staff are: Deb Hrdlicka, our guidance counselor; Missi Reichert, our speech and language therapist; and Hannah French, our occupational therapist. It was wonderful to begin the academic year with our special education teacher, Karen Almdale. Karen is a familiar face at Nelson School. Many years ago she was our special education teacher but, most recently, she taught the 5/6 class and the 3/4 class. Vicki Dowley and Kim Keating return as a part of our support staff and are joined by two new faces--Kathy Olsen from Marlborough and Diane Langlois from Keene. Nelson School is fortunate to, once again, receive Title I funds, which allows us to continue Title I program which is implemented by Molly Bentley. Jill Wdowiak returns as Nelson School's secretary, as well as the person responsible for hot lunches; and Herb Miller, our custodian, continues to keep our school clean and tidy. It is an amazing, wonderful staff!

In our quest to offer your children top quality teaching strategies and techniques we continue to assess our strengths and weaknesses, as well as the needs of your children. This year our primary focus was assessment and we contracted with Carol Tolman, a recognized national leader in the area of literacy assessment. The entire staff underwent training to help us accurately assess students' progress throughout the year using DIBELS to remediate weaknesses. Every Nelson staff member has received this training. As a result, we share a common vision, "speak" a common language, and work collaboratively for the success of all our students. We continue to work on the SAU initiatives of the Collins Writing Program, Curriculum Mapping, and aligning the state standards with our GLE's. The entire Nelson staff has now been trained in the Responsive Classroom philosophy which advocates the importance of establishing respectful classrooms and school environments. As new educators become part of the Nelson family, it continues to be an expectation that they will attend a Responsive Classroom workshop so that we can continue to ensure that, as a community, we are consistent in our expectations of student interactions and behavior.

Each year the staff re-examines past practices and makes a conscious decision to continue, modify, or discontinue previous practices based upon the activity's level of success and/or the ever-changing needs of

our students. As a staff, we continue to recognize and embrace the importance of an inclusive community and seek creative ways to bring children of all ages together. It is our firm belief that, when children are provided with opportunities to engage and work with children of other ages, community, responsibility, caring, and respect abound. Our multi-age activities provide children of various ages an opportunity to learn and have fun together during Wednesday mornings at multi-age groups, holiday craft stations, community service projects, and cross grade activities. This year we provided parents with an opportunity to have their kindergarten children become part of All School Block which allowed the kindergarten children another opportunity to become part of the Nelson community and work in multi-age groups from 12:30-1:30 two times a month.

Once again Nelson School students attend library classes once a month from January to May at the Olivia Rodham Library. Kris Finnegan leads each lesson with input, assistance, and support from each classroom teacher. This year Nelson students will benefit from a new outreach program at the library. Once a month each classroom teacher will receive a carefully chosen collection of 7 to 10 books from the library to use in her classroom. These books might include read aloud selections or books that relate to a theme that the students are studying.

In addition to taking care of the needs of students and staff, it is also important to take care of the needs of the building itself. Over the summer months a bubbler was installed in the kindergarten classroom. The hallway, office, conference room, R/1/2 classroom, multi-purpose room, kitchen area, and kindergarten ceiling received a new coat of paint. The 5/6 classroom now sports individual desks as a result of the budget and Packersfield.

Our affiliation with Harris Center remains an integral part of our science curriculum. This year the kindergarten children learned about leaves which enriched their science unit on trees; the students in the R/1/2 and 3/4 classes studied canines; and the students in 5/6 participated in an ecology unit. The teachers at Nelson School hold Polly Pattison, one of the Harris Center's teachers, in high esteem and the children eagerly look forward to their days with her. This year Cindy Benner was recognized and honored by the Harris Center as their "Teacher of the Year".

The children of Nelson School have been fortunate this year to have been given the opportunity to participate in two dynamic residencies. The first residency was with a gifted musician, Mary Alice Amidon, from Brattleboro, Vermont. Mary Alice was at Nelson School four days this year and, on each day here, spent one hour in each classroom. During this time, she mesmerized the students with her storytelling, taught them heart-touching songs and many traditional dances using her banjo, accordion, and guitar as accompaniment. The beauty of her residency and working in various classes is that now the school has a common repertoire of songs, stories, and dances that they can enjoy together.

Our second residency will be a theatre residency with Children's Stage Adventures. As you may recall, we had a phenomenal experience with them during "The Sword Excalibur" at Keene Middle School. At last year's public meeting, a warrant article was passed for Nelson students to participate in another theatre residency. This year, when CSA returns to us, we will be performing an adaptation of Shakespeare's "Midsummer's Night Dream" at Keene High School.

This year the Nelson staff chose to highlight the children's learning during its December winter program. The theme of the winter program was "Celebrations" and each class shared with the community audience a celebration. The kindergarten class learned about seasons this year and wowed the audience with a puppet theatre production on the ways in which the winter solstice is celebrated. Each student in the R/1/2 classroom chose the aspect of Chinese New Year that they wanted to learn about and researched and wrote their own script for the production. The 3/4 classroom magically turned into an Amazon rainforest and students presented Festa de Lemanja. The students in the 5/6 class proudly shared the geographical, historical, and cultural aspects of Canada through small group informative sessions. Although it was a deviation from how we have done things in the past, it was an exciting night and the children were glowing as they shared their newfound knowledge with family, relatives, and friends.

Kim Wallach, Nelson's music teacher, worked collaboratively with Harrisville's music teacher to bring Monadnock Music's "Lend an Ear" program to Nelson students. The "Lend an Ear" program brings a variety of on-site musical presentations and instrument demonstrations by top level professional musicians to elementary school students. This program believes that it is important for young people to see for themselves that musicians are people and not celebrities; that music making is an art, as well as a craft, that requires concentration, dedication, and teamwork.

In response to last year's warrant article, a Facilities Committee consisting of parents, teachers, school personnel, and community members, was formed to evaluate the school's space needs. This committee has met throughout the year and will be making a presentation of its findings at the annual meeting in March.

Nelson School is a special place for students, their parents, and the staff. Although we are a small rural school, we strive to offer quality programs that meet the needs of our students and the community. We are thankful for the community's support and input and enjoy working together collaboratively to make Nelson the special place that it is.

Respectfully submitted,

Sheila Vara

CHAIR'S REPORT

Nelson School has been very stable from a staffing perspective this year, which has enabled the team to focus on progress toward the long-term school goals which were established at our school board/staff retreat. These goals include improving the transition of Nelson students to Keene Middle School, aligning curriculum with other SAU 29 schools, revamping the report card system, improving the use and teaching of technology, and laying the ground work for facility improvements.

The Nelson School Board meets on the second Wednesday of each month, except for July and August, at 4:30 p.m. at Nelson School. The public is always welcome; whether you are curious and want to observe, if you have questions or if you would like to air a concern.

Respectfully,

Kelly M. French, Chair

Anne F. Cucchi

Thomas B. Newcombe
